Observations	The evaluation process – 100 % project:
	
	- the students will choose a theme for debating.
	- the project will be structured in 2 main parts:
	  a. the theoretical part: notions, principles, theories, analysis of the literature
	  b. the practical part: could be a comparative study, an analytical research about one issue, an empirical research, a study case etc.
	
	Until the established date the student will send via email (bercu@uaic.ro) the chosen theme according with the course topic and the proposed content of the project (the main chapters) to be approved. After approval by the professor, he/she will proceed to write the project respecting the rules considering the ethics and integrity in academia.
	
	During the process of writing the project, the students will establish the meetings with the professor (on-line via Teams) in order to debate the progress and to analyse the clarity and correctness of the content.
	
	The final project should be sent via email to professor until the established date.
	
	Any other concerns should be addressed via email bercu@uaic.ro.
