

TUTORIAL COURSE FORM

2023-2024 ACADEMIC YEAR

Name of the tutorial course (incoming Erasmus/exchange students)	International Trade
Name of the professor	Mihaela Ifrim
Email of the professor	mihaela.ifrim@uaic.ro
Office of the professor Consultation hours	B 383C
Semester(s) in which the tutorial course is available	I
No. of ECTS credits	5
Level of study (bachelor/master/PhD)	bachelor
Short description/Contents	<p>The main objective of the course is the accumulation of knowledge on the theoretical foundations of international trade and the development of the ability to analyze the economic forces responsible for the way it takes place. The course will help the students to:</p> <ul style="list-style-type: none"> • understand the evolution of international trade in relation to the dynamics of economies at the national, regional and global level; • learn the criteria with fundamental normative and explanatory value of different types of international specialization; • be familiar with the theories that explain different forms of international trade; • understand the link between endowment with factors of production, location of production and international trade; • understand the implications of competition, economies of scale and transport costs for international trade patterns; • to use and adapt the theoretical models to the reality of international exchanges.
Assessment/Evaluation	Quiz and individual paper
